The Secretary,
L O N D O N.-

Dear Sir,

With reference to my letter of the 17th instant forwarding a Rpt.C.12(a) in respect of the steamer "WULSTY CASTLE", I beg to inform you that maximum summer draught corresponding to the freeboard assigned is 23' 5" and not 23' as erroneously filled in on the report form, and I kindly request you to amend it on the form.

I am, Dear Sir,

Yours faithfully,

H. D. Jones
