ATTENTION: Mr. F.H. Osbon.

Dear Sir:-

Your letter of August 10th, regarding additional bilge piping to be installed in the above vessels received, grate and taken up with the New Orleans Office.

The following is quoted a letter from D.T. Williams, District Manager, New Orleans, La., which please be guided accordingly.

"According to our records, the above vessels are now in the laid up fleet at Mobile, and the additional piping referred to in the letter from Lloyd's Register of Shipping will not be undertaken at this time."

Yours very truly,

Sgt. S.M. Miller.
Local Manager of Repairs.
