15th February, 1924.

Dear Sir,

I am in receipt of your letter of the 5th instant respecting the steamer "HORACE S. WILKINSON" and note that the vessel is at present laid up for the winter and that it is the intention of the Owners to have the Boiler Survey and Special Survey No.1 carried out before she is again employed. In reply I have to say that, in the circumstances, the Committee, who had the case before them at their Meeting to-day, are agreeable to this arrangement.

I am, Dear Sir,

Yours faithfully,

Assistant to the Secretary.

The Secretary,

NEW YORK.
