The Secretary,  
London.

Dear Sir,

I beg to acknowledge receipt of your letter of the 12th inst., in regard to steamer "HORACE S. WILKINSON", and in reply have to say that arrangements have been made with the owners for the special survey of boilers to be held before she is again placed into commission.

I may say that this vessel is still laid up and that the work of fitting out for the incoming season has not yet begun.

I am, Dear Sir,

Yours faithfully,

B. Hammond
