VESSEL'S NAME Steel S.S. "VOLTURNO".

Rpt. Lon.

No. 85106a

**The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.**

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/22.)

Nature of Survey

The Special Survey No.1 became due 10,21.

The class of the vessel is subject to the rudder head being specially examined at the next dry docking, and to some indented plating etc. being dealt with.

The Owners now state that it is not their desire to maintain the classification.

It is submitted the vessel's class be withdrawn from the Register Book and three dots (...) inserted in lieu thereof indicating withdrawal of class at Owners' request.
