D/S 141 Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

ENCLOSURES.

21st March, 1930.

Dear Sir,

M.

I was duly favoured with your letter of the 15th instant respecting the proposed conversion into a Tanker of the Cargo Steamer "VALLARSA" ex "WAR PROPHET".

In reply thereto, ~~however, I have to point out that~~ the vessel was withdrawn from the classification of this Society in 1921, and is now classed with the Registro Italiano.

In these circumstances it is not seen that this Society can deal with the proposed conversion of the vessel, and the plans and specification are accordingly returned herewith, and the matter might be referred to the Registro Italiano.

I am, Dear Sir,

Yours faithfully,

Secretary.
