Dear Sirs,

Your letter to hand of the 7th., inst., re S.S. "GRINKLE" when we purchased the Steamer from the JARROW TUG & LIGHTER CO., we instructed them to Cancel all Insurances of the craft, and as she is working in the upper reaches of the Mersey and not likely to go to Sea, we cannot spare the time to have the requisite repairs and renewals carried out at present.

Yours faithfully,

WILLIAM COOPER & SONS LIMITED.
