27th May 1940.

ference

S.—

The Secretary,

WOKINGHAM.

Dear Sir,

"COLLINGWOOD" - Newcastle Report No.98510

With reference to the remarks contained in the Classing letter of the 24th inst., we beg to state that this vessel is supplied with four 30 fathom lengths of 4" Manilla Mooring Ropes. We should be glad if the recommendation as to Class given in our Report might be amended to read 100 A1. The extreme breadth over belting is in this case 18'-9 $\frac{13}{16}$ " and the width of stern frame is 5 $\frac{1}{2}$ " as approved.

The omissions from the Report are regretted.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS
