# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

17th March, 1936.

Dear Sirs,

I have to acknowledge the receipt of your letter of the 15th instant forwarding verification of marking forms in respect of the hopper barges "ANDROMEDE NO.1" and "ANDROMEDE NO. II" and tug "CASSIOPEE", and note what you write regarding the signal letter of these ships and the dredger "CENTAURE".

With reference to your remarks regarding the name of the "ANDROMEDE NO. II" as entered in the Freeboard Certificates, I shall be glad to learn whether the Owners desire to be furnished with a fresh set of Certificates, or whether it will be satisfactory to them for you to amend the present documents.

I am, Dear Sirs,

Yours faithfully,

Assistant Secretary.

The Surveyors,  
MARSEILLES.
