To the Surveyor of Lloyd's Register of Shipping

Sir,

Surveys sIs "Bebek"

Being likely to become the owner of the above mentioned steamer I stand that there have been some surveys held on board on behalf of the owner the certificates of which have not been drawn yet and that other surveys have been asked for in order to give the vessel Lloyd's class.

As it would be my desire to get the vessel have completed those surveys whilst on the other hand, pending the Court decision I cannot take full possession of her before the Court awards me the property of the vessel may last a short time, I would be obliged if you would communicate me your arrangements for completing the survey and make anyhow the necessary arrangements to keep the matter open for a month to come.

Thanking you before hand I am, Dear Sir.

*Yours Truly*

*Mehmet Cemal Arıt*
