Dear Sir:

Referring to your inquiry of the 29th June last, addressed to the owners respecting the Special Survey of the boilers of the Steamer "ANNIBAL", I think it well to enclose copy of a letter which the Baltimore office of the War Shipping Administration has addressed to the Society's Surveyors, from which you will note that it has been decided to discontinue class in Lloyd's Register and maintain class in the American Bureau of Shipping only.

I shall be obliged if you will kindly take the necessary action in the case.

I am, Dear Sir,

Yours faithfully,
