

It is submitted the Grk. Surveyors be

"Denbydale"

Grk. 21284

It is submitted boiler plan No. 11606 for Kincaid's boilers No. 132 be returned to the Gls. office as requested.

In the absence of the spare gear list the Grk. Surveyors should be requested to state whether the full complement of spare gear as required by the Rules has been supplied.

The Ipswich Surveyor should be requested to furnish a copy of their certificate No. D 3838 on an engine No. 19008/9 and compressor No. 65-996/7. This engine has been fitted on board the M.V. "Denbydale", Mylthwood Ship B. Co.'s yard No. 62; but the certificate is missing.

all above rec'd.
