QUESTION.

With reference to your letter of the 17th ultimo I shall be glad to learn how this case now stands.

ANSWER.

Date:— 17th December 1936.

This vessel has now been purchased by Mr. Henrik Ostervold of Bergen, and it is understood that survey is proceeding on behalf of The Norske Veritas.

No request has been received for any survey to be held by ourselves. Mr. Ostervold was in Newcastle a few days ago and we wrote enquiring his intentions as regards the Society's Classification but received no reply. In the circumstances we ~~XXXXXXXXXXXX~~ addressed a further enquiry to him at Bergen yesterday.

We might add we understand that two of the four boilers are being removed from the vessel at this time.
