Sir,

Reverting to the case of the "LILLY MARGRETHE", I desire to acquaint you that Mr. Joh. Sundfør, British Viceconsul at Haugesund, who represented the underwriters on the recent damage repairs at Haugesund, stated to me when I had occasion to see him this week, presenting him with a copy of the Society's operations during the year, that he told the owner to call in the surveyor to Lloyd's Register, Mr. Eide, as soon as possible, as he would not recognize any other damage reports than one issued by Mr. Eide. and notwithstanding above statement Mr. Iversen had the audacity to claim that no one in Haugesund knew the Surveyor to Lloyd's Register.

I am, Sir,

Your most obedient Servant,

S. A. Eide
