In January, 1923, the Managing Owners of this vessel intimated their intention to maintain in the Society's Classification only their steamers engaged in service to the Far East.

In a letter, dated 1st ultimo, they state that they have decided to retain for this vessel only the classification of the Registro Italiano.

The case received the consideration of the Classing Committee on Friday, 1st instant, when it was decided to give instructions for the vessel's character to be withdrawn from the Society's Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
