Trieste (III), 8th February 1940.

Casella postale No. 2.

Reference

Dear Sir,

m.s. "ARABIA"

Some time ago we were informed by the Registro Italiano that this vessel had been remeasured for tonnage with the following result:-

Gross tons	5942.57
Under deck	3703.40
Net tons	5359.69

in consequence of alterations carried out on her by cutting openings in the Bridge end bulkhead. As no opportunity has so far been afforded to verify whether the openings in question and the draining arrangements of the Bridge space are in conformity with the Rule requirements, we have requested the Constantza Surveyor, who is attending to the vessel for Damage and completion of the special survey No. 3, to carry out the necessary verifications and a copy of his letter on the subject is enclosed herewith for your information.

I am, Dear Sir,

Yours faithfully,

The Secretary,  
LONDON.
