

## M.V. "ARABIA".-

=====

## List of spare gear.

eller blade  
s for same  
shaft

Engines.

nder cover complete with valves, seats springs etc.  
ting valve complete.  
ust valves complete. 2 exhaust valve seats.  
ction valve complete.  
ty valve complete.  
valves complete. 4 fuel valve stems.  
on complete with rings, studs, etc.  
piston rings.  
telescope pipes for piston cooling.  
main bearing bushes.  
bearing studs and nuts.  
crank pin brasses.  
om end bolts and nuts.  
end brasses.  
end bolts and nuts.  
coupling bolts for crank shaft.  
" " " intermediate shaft.  
for thrust block.  
of working parts for fuel pump.

Compressor.

main bearing bushes.  
bearing bolts and nuts.  
crank pin brasses.  
om end bolts and nuts.  
on pin bush.  
lete set of piston rings.  
of suction and delivery valves.  
y valve spring for each stage.  
lete coil for 3rd stage cooler.

Large Pumps.

of suction and delivery valves.

Large Diesel Engines.

ust valves complete with springs, seats, etc.  
nder and cover.  
ust valve seats.  
valves complete.  
valve stems.  
ction valve.  
y valve.  
ting valve.  
pin brasses.  
m end bolts and nuts.  
on pin.  
" bush.  
bearing bushes.  
" bolts and nuts.  
n complete rings. 1 set of piston rings.  
f working parts for fuel pump.

Large engine compressors.

m end bolts and nuts.  
ete set of suction and delivery valves.  
ng coil for 3rd stage cooler.  
f piston rings complete.

f valves for ballast pump.  
" " " bilge "

Boiler - 1 set safety valve springs.

ty of assorted bolts and nuts. Lengths of pipe suitable  
l, blast and starting air services, with unions and flanges.
