

It is very much regretted that through inadvertence the Kobe letter dated 12th November, 1926, respecting the s.s. "AKASHI MARU" ex "TUNISIA", No.87941 in the Supplement of the Register Book, was attached to the report on the s.s. "AKASHI MARU", No.62402 in the Register Book.

It may be added that the Kobe Report No.5482 on the "AKASHI MARU" was received the same day as the letter from Kobe regarding the withdrawal of the class of the "AKASHI MARU" ex "TUNISIA", No.87941 in the Supplement of the Register Book.
