Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

18th January, 1921.

Dear Sirs,

With reference to your first entry report No. 4645 on the turbines and gear made by Messrs. Metropolitan-Vickers Electrical Co., and Messrs. D. Brown & Sons Ltd., respectively, I have to inform you that the Society's Surveyors at Newport, Mon., now report that this machinery has been fitted into the s.s. "ADIGE" (ex "WAR EPIC"), Messrs. The Monmouth Shipbuilding Co's No. 373 vessel.

An account has to-day been rendered to the Ministry of Shipping for the fees due for the survey during construction of the machinery of this vessel, and on payment your account will be credited with the proportion due for the survey during construction of the turbines and gear, viz:-£73:0:8.

I shall therefore be glad if you will kindly see that the necessary entries are now made in your Rough Fee and Debit Books in the usual way.

I am, Dear Sirs,
Yours faithfully,

Assistant to the Secretary.

The Surveyors,

MANCHESTER.
