5-ENCLOSURES.

1 Letter & 4 Plans.

14th January, 1921.

Sir,

With reference to your letter of the 10th instant I have now the pleasure to enclose herewith copies of the plans of the Cochran Boilers Nos. 8395/6 fitted on board the Steamer "ADIGE" ex "WAR EPIC".

At the same time I enclose herewith the letter received from Messrs. Cochran enclosing these drawings from which you will observe that it would appear that the donkey boilers fitted on board the Steamer "FIUME" ex "WAR GENIUS" (please see your letter of the 21st ultimo) were boilers Nos. 8426/7 not 8246/7, and Messrs. Cochran have been good enough to forward plans of these boilers also.

I conclude that I shall be in order in informing Messrs. Cochran that in both cases the boilers will now be accepted by the Society for ^aclassed vessel.

I am, Sir,

Your obedient Servant,

The Secretary,
