Dear Sir,

I have to acquaint you that it appears from a first entry report received from the Surveyors at Newport that two vertical donkey boilers made by Messrs. Cochran & Co., (Annan) Ltd., have been placed by the Owners on board the S.S. "ADIGE" (ex "WAR EPIC") built by Messrs. The Monmouth Shipbuilding Co. Ltd., of Chepstow.

The particulars of the marks on the boilers are as stated below, and I have to request that you will endeavour to obtain a plan, or plans, of these boilers and forward the same to this Office.

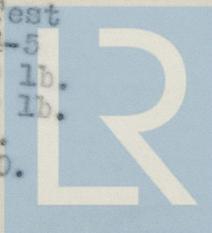

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,
