*Tribalanica*

REPORT FOR LONDON.

*Electrical Rpt  
noted & in order*

*19/6/45*

FOR THE ATTENTION OF

*C. E. S. Dept*

Sent from Wokingham on

*16/6/45*

Entered in Book by

*gw*

To be returned to

*S. Dept.*

Received back at Wokingham

*19/6*

REMARKS:-

*The plans of Settling Tank & Arrangement of Oil Fuel Burning System have been examined in conjunction with the Surveyors Reports and are in order provided the oil heaters are retubed and the settling tank gauge glasses are fitted with self-closing cocks as recommended by the Port Said Surveyor.*

*The Surveyors Report on the Auxiliary Boiler has been examined & the scantlings are suitable for a working pressure of 180 lb/sq.in*
