The Special Survey No.2 of this vessel became due  
in December, 1925, but the Owners now state that in view of  
her size they have decided not to maintain her in the Society's  
Classification.

The Classing Committee had the case before them on  
Tuesday, 11th instant, when it was decided to give instructions  
for the character to be withdrawn from the Register Book and  
three dots (...) inserted in lieu thereof, indicating withdrawal  
of class at Owners' request.
