Dear Sir,

We have to acknowledge your letter of 7th instant, and note therefrom that the question of survey of ferro-concrete vessels belonging to our Company lying up in the Tyne was considered at meeting of your Committee held on the 7th inst., and that they agree to survey being postponed until such time as the vessels are put into commission, and subject to our informing intending purchasers in the event of any of the craft meantime being sold. Their requirements in this connection have our close attention.

Yours faithfully,
