23rd March, 1959

Dear Sirs,

"APPULO"

sn.(H)

With reference to my letter of the 6th February, it is concluded the vessel is still laid up at Venice. I shall be glad if you will remind the Owners that the Screwshaft Survey will become due at the end of June next and I enclose for transmission to them a copy of a memorandum relating to screwshafts of 'Liberty' and 'near-Liberty' type vessels.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
GENOA.

Copy to Venice *(with memo)*.
