QUESTION

ANSWER

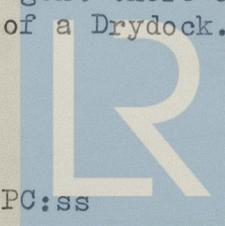

I shall be glad if you will ascertain from the Owners and let me know what arrangements they propose making to have this vessel examined in drydock, as it would appear from the records in this Office that she has not been seen in drydock by the Society's Surveyors since September, 1956.

We have written to the Owners on the 26th November last and only today we have been informed that this Vessel is now proceeding to Mobile (USA), where she will arrive about the 12th January next.

The Owners hope to drydock the Vessel at Mobile but they will confirm this statement as soon as final informations are received from their Agent there as to the availability of a Drydock.
