"ROYAL WILLIAM"

- Bm. Rpt. No. 417

IT IS SUBMITTED before this case receives the consideration of the Committee, the Surveyors be referred to the Society's letter of 21.3.52 and requested to state -

1. Why the additional stiffening now fitted for deeper loading is not in accordance with the usual practice for this type of ship.
2. If arrangements have been made to bring the stiffening up to the Society's requirements.
