ENCLOSURES REQD 3 DEC 1919

ANSR ach 19

Hong Kong October 3rd. 1919.

Sir,

Plans

I beg to acknowledge the receipt of your classing letter of August 12th. 1919 with reference to the poop deck beams fitted in the S. S. "WAR DRUMMER" Hong Kong Report No.4802.

As reported, in my first entry report, the poop deck is plated, and the smaller beam as fitted, combined with the steel deck gives a slightly larger section modulus than the beam with no steel deck as shown on the midship section 501/12.17.

I enclose a letter and plans of poop deck received from the builders in connection with this matter.

In the circumstances I should respectfully recommend that these beams be approved as fitted in the ship.

I am, Sir,

Your obedient servant,

John. S. Gardiner

The Secretary,

Lloyd's Register,

London.
