

BOARD REPORT on the

## Grandlieu.

It is submitted the Nantes Surveyors be requested to forward full particulars of wells, coxels, coamings, battening arrangements etc. of No 3 hatchway in the bridge space and to state the thickness of the wood covers and the bearing surface of the bunkers hatchways on the bridge deck. They should also be requested to ascertain from the owners when and at which port the bunkers hatchways on the freeboard deck in the bridge space can be examined for the completion of the freeboard report.
