22nd July, 1919.

Dear Sirs,

I am in receipt of your letter of the 9th ultimo forwarding a freeboard report and verification of marking form for the S.S. "WAR DRUMMER", and enclose herewith the printed letters of assignment.

With regard to this case, I have to inform you that it is concluded the storm boards at the after end of the bridge are fitted in riveted channels, but I shall be glad if you will state if this is correct, and you should also inform me of the height of the stormboards.

An amended verification of marking form should be forwarded when the marking is altered in accordance with the freeboards now assigned.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
HONG KONG.
