Dear Sir,

ss. "ATHELING" (now "Roma")

We have delivered to the Owners of the above vessel the photostatic copies of Jacksonville report No.1494 enclosed with your letter and have received from them a request for a further four copies.

In the circumstances we have to request that a further four copies be forwarded to this office for issue to the Owner, together with any fee which you consider should be submitted.

We are informed also that Lloyd's Register Class is not now required for the second of the two vessels ss. "FENCER" (now "SYDNEY") and are accordingly requesting that the photographic copies of the report now at Genoa be handed to the Owners as in the case of the "ATHELING".

The plans enclosed with your letter dated 4th July last are not requested and are accordingly being returned under separate cover.

*Coment.*

Yours faithfully,

*F. Butcher*
