

C O P Y for LONDON

Lloyd's Register of Shipping,

EXPRESS

2/3, Piazza Cavour,

Genoa, 2nd October, 1950
(408)

Dear Sirs,

Reference

S/S " R O M A " ex "Atheling "

We beg to acknowledge your letter of the 29th ult. regarding the above case, and in reply have to state that we have only just received a reply from the Owner confirming that it is his definite intention of withdrawing the Vessel from our class.

It will therefore be in order for you to hand over to the Owner the photostat copies of Jack ~~mp~~sonsville Report No. 1494 now in your possession.

With regard to the Plans, however, you should obtain a letter from the Owner indicating if he still desires copies of same.

Naturally the cost of any photographs taken should be charged against him plus a Fee of £11-11-0d at Lit. 1750 to the Pound for copies of the 11 approved Hull Plans.

If copies of the nine Plans for Pumping Arrangements are also required, an additional Fee of £4-14-6d should be charged for these, and both ~~sums~~ credited to the London Office upon settlement of your Account.

You will note the London Office have asked for the return in due course of all documents they forwarded to you.

Yours faithfully

The Surveyors,

NAPLES
