Dear Sir:

"ATHELING" - Jck.Rpt.1494  
"ANNA MAERSK" N.Y. 49979

I think it well to send you the above mentioned reports in advance of those submitted to the American Committee at their meeting yesterday.

The "ATHELING" is en route to Italy for completion of reconversion and classification. Three packages containing the plans relating thereto are going forward under separate cover.

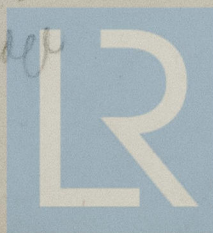

The case of the "ANNA MAERSK" has been the subject of correspondence because of reported corrosion of welded shell butts and seams and is dealt with in a letter dated 29th ultimo attached to the New York report.

Yours faithfully,

Principal Surveyor, U.S.A.

The Secretary
