Dear Sir:

"EMPIRE ANNAN" ex "MASUREN"

Referring to my letter of the 6th July and your subsequent letters regarding the proposed classification of the above named vessel, which was entered in New York Return of Vessels under Survey for the week ending September 10th, I may say that while the Surveyor attended to discuss the work associated with the survey, no actual progress has been made. This is due to difficulties which have arisen for the owners in the transfer of the vessel to Panamanian registry.

She is now in lay-up status at this port and the Surveyors advise that there is nothing to report in the nature of a survey. The owners inform me that they will advise when a decision is made regarding her disposition.

Yours faithfully,

W Bennett

Principal Surveyor, U.S.A.
