ANNO... 16/7

Rec M 13 July 48

UNCLASSED

Dear Sir: "EMPIRE ANNAN" ex "MASUREN"

We have been informed by the Fammire Shipping and Trading Corporation of New York that they have purchased the above named vessel and propose classing her with this Society, although they have not yet decided the flag under which the vessel will be registered.

In view of the fact that this vessel formerly operated under an 'Examined' record I would be obliged if you would inform me whether plans have been considered in the London Office, and if so, the classification for which she is suitable. I would also be obliged if you would forward copies of the classification plans of the vessel, if these are available in London, or if they are not, the Owner has requested that we endeavor to obtain them for him from the builders.

I would also be obliged to receive copies of any Committee or Freeboard Reports on the case, which would be of help to us in dealing with the matter.

Yours faithfully

Principal Surveyor, U.S.A.
