

"A.A. COWAN"

MN 108

Special Survey Fee £16 + 20% (twin screw) = £19. 4s.

Reclassification Fee  $1\frac{1}{2}$  x £19. 4s. = £28. 16s.

Capacity of dynamos 10 KW

Special Survey Fee for Electrical Equipment = £5. 0s.

Reclassification Fee for Electrical Equipment  
 $1\frac{1}{2}$  x £5 = £7. 10s.

IT IS SUBMITTED the Owners be informed that a complete Special Survey of the machinery and electrical equipment together with an examination of the screwshaft will be required. Any alterations that may have been made since the vessel's class lapsed should be reported for consideration.

They should further be informed that if the survey were to be carried out in this country the fees would be £28. 16s. for the machinery and £7. 10s. for the electrical equipment. An additional fee might be chargeable if exceptional repairs had to be carried out.
