Received by Chief Ship Surveyor

Received from Chief Ship Surveyor

VESSEL'S NAME Stl. Tw. Sc. "TIALDA".

Rpt. Ant.

No. 4196

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Remarks of Survey

The s.s. No.1 will become due at the end of the present month.

The Antwerp Surveyors now report having visited the vessel for the purpose of making an examination in dry dock but the Master stated the class was to be allowed to lapse and, in the circumstances, no survey has been held.

It is submitted action be deferred and Captain Isdale might be communicated with in regard thereto.
