s.s.No.3-1,22.

This vessel became due for Annual Boiler Survey in April last, but the Owners now state that as the steamer is employed solely in the Coastal Trade, they do not desire to maintain her classification in the Society's Register Book.

In the circumstances the Classing Committee, who had the case before them on Friday, 22nd instant, decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
