Messrs. The Borneo Co. Ltd.

K U C H I N G.

Dear Sirs,

Lloyd's Register.

Would you inform your principals that as the s.s. "Gladys" is now used entirely for Coastal trade we do not intend to continue the Classification at Lloyd's as 100 A1.

We understand that she is due for special classification Survey in 1926. She will continue to be docked here annually as heretofore and similarly to our other vessels which are not classified.

We should be obliged if you would inform Lloyds Insurance Underwriters of this also and inform them that we are quite willing to have her trading warranty restricted to the Coasts of Borneo.

Yours faithfully,

for THE SARAWAK STEAMSHIP CO. LTD.,

Managing Director.
