H. The Secretary,
London.

Dear Sir,

I have to acknowledge the receipt of your letter of the 27th instant, with reference to the shaft of the Steamer "MANXSONA" Dundee F.F. Report No. 8357, and beg to inform you the screw shaft was not fitted with a liner, but was fitted with an oil gland at the after end of the stern bush.

A blue print of the shaft and stern tube which has been received from The Coaster Construction Company Ltd., who fitted the machinery on board, is forwarded herewith.

I am, Dear Sir,

Yours faithfully,
