Sir,

In reply to your classing letter of the 28th instant., regarding the case of the S.S. " MANXSONA ", I have to inform you that reverse frames as approved are fitted in way of the hatch ; a kedge anchor weighing 1 cwt., was supplied ; and the ballast tanks were tested with satisfactory results.

I regret that these points were omitted from my Report on the case.

I am, Sir,

Your obedient Servant,

The Secretary,

London.
