E.C.3.

Dear Sir,

S.S. "ESSO PANAMA"

We have for acknowledgment your letters of the 9th instant advising us of the Committees decision to hold over the question of any surveys due for the above vessel, for which we are obliged.

Your remarks regarding the Annual Load Line Survey, due to expire on the 2nd October have been noted and the matter will be brought to the attention of our associates in Aruba with a view to having this survey completed before putting the vessel back into service.

Yours truly,  
ESSO TRANSPORTATION COMPANY LIMITED
