Dear Sirs,

S/S "EASTERNER"

Referring to your letter of the 30th inst., we are afraid that the same remarks must apply to this steamer as we made with regard to the "NORTHERNER". These are the only two of our "KIL" boats which are not through Survey. If, however, it is the intention of the Committee to allow a little further grace in the case of the "EASTERNER", we will be obliged if you will be good enough to say exactly what work you would like doing now to allow her to remain on Class for the present, and we will be only too pleased to do what we can to meet the wishes of the Committee.

We shall be glad to hear from you.

Yours faithfully,

Thomas Edward Brown
