Dear Sir,

We confirm despatch of the following cable:-

"PINGWO AT PRESENT RECLASSIFYING STOP OPENING
UP AS FOR SPECIAL SURVEY RESTRICTING REPAIRS
ONE YEAR - MARINE"

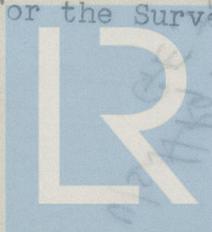

This vessel was Classed in Shanghai in July, 1937,
and was retained in Class until requisitioned by the Admiralty
in 1941.

Vessel has been laid up since her return here early
in 1946 and the Owner's, Messrs Jardine Matheson, have been
endeavouring to sell her. They naturally wish to restrict repairs
to these essential to obtaining a Certificate of Class and the
proposal as outlined in the cable was suggested.

We trust this procedure is in order.

Yours faithfully,

James A. Anderson
for the Surveyors.
