Dear Sir,

Reverting to your letter Ref.F. of the 15th February
 Line
 relative to International Load Convention Certificates for the
 "ABEILLES" and CHERBOURGEOIS Tugs, we beg to advise that Owners
 have now officially requested the issue of Certificates for the
 following vessels:-

"ABEILLES" tugs. N^{os} 8 - 22 - 10 - 21 - 16 - 20 - 3 and 24.

"CHERBOURGEOIS Tugs. N^{os} 3 - 2 - 4.

We shall be glad if you will therefore be good enough
 to forward the usual particulars as promised.

Owners further request an endorsement on existing
 certificates, to the effect that the necessary arrangements for
 the issue of International Load Line Certificates are under way,
 in the event of any one of the above Tugs being urgently
 required to call at a U.K. or International Port, before new
 certificates have been issued.

Presumably this request could be met by the local
 issue of a Provisional Certificate on Report Form 10.

We are, Dear Sir,

Yours faithfully,

The Surveyors,

The Secretary
 London.
