Dear Sir,

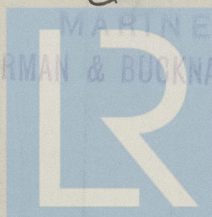

ss "CITY OF BATAVIA".

We received your letter of 27th instant re Annual Freeboard Survey of above vessel. The ship is now en route for South African Ports and we propose carrying out the survey either at Cape Town or Durban, as found most convenient. We have written our Cape Town Office to consult Lloyd's on the steamer's arrival, although it may be found more convenient to carry out the survey at Durban when the cargo is practically all discharged.

Yours faithfully,

Ernest Donald
