

COPY.

Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

26th April, 1921.

Dear Sirs,

I am in receipt of your letter of yesterday's date, forwarding one from the new Owners of the ex-German Steamer "NEILON", from which it is noted that it is their intention to submit her to survey at your port with a view to the issue of a six-monthly certificate.

The First Entry report on this Steamer, together with copies of previous condition surveys held upon her by the Society's Surveyors, were forwarded to the Newcastle Office on 31st ultimo, and I am writing to the Surveyors at that time requesting them to forward these documents to you, and at the same time to inform you how the case stands.

I should add that the particulars detailed on the back of Rpt. 11b regarding the deck erections and other alterations should be submitted to this Office in connection with the freeboard assignment.

I am, Dear Sirs,

Yours faithfully,

Yours faithfully,
Surveyors,

MIDDLESBROUGH.

Secretary.
