

HULL.

13th October, 1950.

56836 "CHRISTINE" In order that certificates may be issued in this case it has today been submitted to the Committee for the assignment of a class to LOCAL With Freeboard together with machinery notation as recommended.

B.V.

In view of her transference to class, however, the case will again be submitted to the Committee next Friday when the class will be recommended for withdrawal and insertion of three dots in lieu thereof.
