N.M. 1443

11th February, 1922.

S. Dear Sirs,

Reverting to your letter of the 21st ultimo respecting your Motor Vessels "INDORITA" and "ELDORITA", I beg to acquaint you that I have been in communication with the Society's Liverpool Surveyors upon the subject of your remarks, and am now informed that they have arranged with you for the fitting of auxiliary pumps in these vessels and that the order for these pumps has already been placed.

The Surveyors add that delivery is expected within the next two months, when the oil engines will be submitted for Annual Survey, and I have to say that the Committee are agreeable to this arrangement.

I am, Dear Sirs,

Yours faithfully,

Messrs. John Summers & Sons, Ltd.,  
Hawarden Bridge Street Works,  
SHOTTON, Cheshire.

Assistant to the Secretary.
