Dear Mr. Common,

On the Trieste First Entry Report No.6978 on the Motor Vessel "GIULIA" the number of the Special Survey Order Form is given as:- 79, dated 12-11-1919. On turning up this form I find that the Yard number given thereon is No.106. Will you kindly let me know whether this is the correct Order Form for this vessel, in which case I conclude the builder's number was altered when the vessel was commenced.

With kind regards,

Yours faithfully,

G. O. Common, Esq.,

TRIESTE.
